

Petro Overwrap

DESCRIPTION

Petro Overwrap is a premium quality vinyl tape that is designed for additional protection to prolong the life of **PCS' Petrolatum Tapes**, as well as, identify commercial and industrial components.

COMPOSITION

Sturdy vinyl - will hold up under the heaviest duty wear.

CHARACTERISTICS

This product is highly conformable to all surfaces, abrasion resistant and non-fading. It resists oil, grease and many solvents. Easily dispensed, by hand, for quick and secure installation.

Immersion in water will not cause disintegration or loosening.

AVAILABLE COLOURS

Black, White, Red, Blue, Green, Brown, Orange, Purple, Grey and Yellow.

PHYSICAL PROPERTIES

The physical and performance characteristics shown are averages obtained from tests recommended by ASTM, government agencies or our own procedures. A particular roll may vary slightly from these averages and it is recommended that the purchaser determine the suitability for his own purpose.
